

THE WHITE HOUSE  
WASHINGTON

ILLEGIB

August 29, 1960

Dear Allen:

Jack Anderson handles the House; hence,  
the memorandum to him with enclosures.

Something should be done about this for  
two reasons, the first of which is yours  
and the second, because the voters are  
entitled to the truth, or at least to have  
their minds disabused.

Will you call me.

Sincerely yours,

A handwritten signature in dark ink, appearing to read "DK" or similar initials.

David W. Kendall  
Special Counsel to the President

The Honorable Allen W. Dulles  
Director  
Central Intelligence Agency
